

APPLICATION FORM FOR “LIFE SCIENCE AWARDS IL CIRCOLO 2020”

CLIMATE CHANGE: IMPACT ON HUMAN HEALTH

SECTION A: PERSONAL DETAILS

Full name (including title):

DOB (DD/MM/YY):

Nationality:

Current address:

Email:

Contact Tel:

Please give details of your education and qualifications and expertise in the field of climate change:

University/School	Qualification	Grade	Year awarded	Subjects

SECTION B: SUPPORTING DOCUMENTATION

We require two references: these must be from two different referees who can comment on your academic abilities and your suitability for the proposed research activity. Should you have a genuine difficulty in identifying two academic referees, we can accept employer references as long as at least one of these can comment on your academic abilities.

References must be sent to awards@ilcircolo.org.uk by your referees from their institutional email address and, if possible, with their electronic signature.

SECTION C: ABSTRACT

Please describe the aim of your research (max.2000 characters)

Shortlisted candidates will be invited to an interview where they will be required to give details of how their research can be divulged to a non-expert public through videos, interviews, posters, etc.

I have read and understood the application form guidelines and declare that, to the best of my knowledge, the information I have supplied is correct.

Printed Name:

Signature:

Date:

Please send the completed application to: awards@ilcircolo.org.uk

All the documentation, including two academic references, should be received no later than **27th April 2020**. Applications received after this date or with incomplete documentation will not be considered. Only shortlisted candidates will receive further communication. Interviews will be held in **June 2020**.
